Re: Arch Measuring

- **½ Circle**-Required measurements X and Y (height & width)
Reveal is required-specify whether it is included in the measurement or not. If no reveal is specified, a standard 3/16 will be added.

- **Partial Arc** - Required measurements X and Y
Reveal is required – specify whether it is included in the measurement or not. If no reveal is specified, a standard 3/16 will be added.

- * **Ellipse** – Require template. Reveal is also required.

*** All odd-shapes (ovals, ellipses, etc) require a template. All templates are to be made from a stiff material (i.e.: cardboard).**
